922-7190

Dan Winchester, District 3
410-2223

Tony Grippa, District 4
487-4747

Bob Rackleff, District 5
921-5555

Cliff Thael, At Large
922-7188

Rudy Maloy, At Large
922-4848

① Water Quality/Total Maximum Daily Load(TMDL) Standards

- Develop program to measure the amount of pollutants entering water bodies and implement new regulations to comply with and enforce federal and state standards.

④ Protection of North Florida Water Resources

⑤ Economic Development

- Maintain focus on recruitment and expansion of small businesses and job creation.
- Develop a performance contract with the Economic Development Council (EDC) to evaluate its progress in attracting new businesses to Leon County.

"The Board's priorities are invaluable in providing a clear focus for the county's re-assessment of its priorities. As a result, the Board has developed an effective strategy for realizing its vision and achieving its goals."
- Pamela Allen, County Administrator

⑧ Community/Teen Centers

- Extend Leon County's lease with the Leon County School Board for the Ft. Braden Community Center.
- Explore using schools for after hour youth programs.
- Evaluate a dinner program for kids after school.

⑨ Funding for 90East (Mahan Drive) to I-10

⑩ Southern Strategy

- Involve the private sector in further developing the Southern Strategy to address housing, schools, and transportation
- Explore the impact FSU and FAMU Master Plans will have on Southside neighborhoods.

These priorities represent just a few of the most important matters facing our community. The Board will focus on addressing these priorities and many others over the next year.
- Chairman Jane Sauls

② Joint Dispatch/Emergency Operations Center (EOC)

- Pursue the development of a Leon County/Tallahassee Joint Law Enforcement Dispatch /EOC.

③ Leon County Charter Amendment

- Explore amending the Leon County Charter to institute a joint Leon County/Tallahassee Stormwater Department.

⑥ Eliminate Emergency Medical Services (EMS) Municipal Services Taxing Unit (MSTU)

⑦ Women's Health Center on Southside

- Evaluate need for a women's health center at Bond Community Health Clinic.
